AMENDMENTS PROPOSED TO REGULATION NO. 8

The Secretary-General of the United Nations, acting in his
capacity as depositary, communicates the following:

On 16 June 1998, the Secretary-General received from the
Administrative Committee of the above Agreement, pursuant to
article 12 (1) of the Agreement, amendments proposed to
Regulation No. 8 ("Uniform provisions concerning the approval of
motor vehicle headlamps emitting an asymmetrical passing beam or
a driving beamm or both and equipped with halogen filament lamps
(H1, H2, H3, HB3, HB4, H7, H8 and/or HIR1) daytime running lamps
for power-driven vehicles") annexed to the Agreement.

A copy, in the English and French languages, of the
document containing the text of the proposed amendments is
transmitted herewith (supplement 10 to the 04 series: doc.
TRANS/WP.29/623).

The Secretary-General wishes to draw attention to article
12 (2) and (3) of the Agreement which read as follows:

"2. An amendment to a Regulation will be considered to be
adopted unless, within a period of six months from its
notification by the Secretary-General, more than one-third of
the Contracting Parties applying the Regulation at the time of
notification have informed the Secretary-General of their
disagreement with the amendment. If, after this period, the
Secretary-General has not received declarations of disagreement
of more than one-third of the Contracting Parties applying the
Regulation, the Secretary-General shall as soon as possible
declare the amendment as adopted and binding upon those
Contracting Parties applying the Regulation who did not declare
themselves opposed to it. When a Regulation is amended and at
least one-fifth of the Contracting Parties applying the
unamended Regulation subsequently declare that they wish to
continue to apply the unamended Regulation, the unamended
Regulation will be regarded as an alternative to the amended
Regulation and will be incorporated formally as such into the
Regulation with effect from the date of adoption of the
amendment or its entry into force. In this case the obligations
of the Contracting Parties applying the Regulation shall be the
same as set out in paragraph 1.

Attention: Treaty Services of Ministries of Foreign Affairs
and of international organizations concerned
3. Should a new Contracting Party accede to this Agreement between the time of the notification of the amendment to a Regulation by the Secretary-General and its entry into force, the Regulation in question shall not enter into force for that Contracting Party until two months after it has formally accepted the amendment or two months after the lapse of a period of six months since the communication to that Party by the Secretary-General of the proposed amendment."
