EUROPEAN AGREEMENT CONCERNING THE INTERNATIONAL CARRIAGE OF DANGEROUS GOODS BY INLAND WATERWAYS (ADN)

GENEVA, 26 MAY 2000

PROPOSAL OF AMENDMENTS TO THE REGULATIONS ANNEXED TO THE ADN

The Secretary-General of the United Nations, acting in his capacity as depositary, communicates the following:

At its eighth session (27 January 2012), the ADN Administrative Committee adopted proposed amendments to the Regulations annexed to ADN and requested that they be communicated to Contracting Parties (ECE/ADN/17, paras. 16-17).

The procedure for the amendment of the regulations annexed to the Agreement is set forth in its article 20, in particular, in paragraphs 4 and 5, which read as follows:

"4. Decisions on proposed amendments and proposed draft amendments submitted to the Administrative Committee in accordance with paragraphs 2 and 3 shall be made by a majority of the members present and voting. However, a draft amendment shall not be deemed adopted if, immediately after the vote, five members present declare their objection to it. Adopted draft amendments shall be communicated by the Secretary-General of the United Nations to the Contracting Parties for acceptance.

5. Any draft amendment to the annexed Regulations communicated for acceptance in accordance with paragraph 4 shall be deemed to be accepted unless, within three months from the date on which the Secretary-General circulates it, at least one-third of the Contracting Parties, or five of them if one-third exceeds that figure, have given the Secretary-General written notification of their objection to the proposed amendment. If the amendment is deemed to be accepted, it shall enter into force for all the Contracting Parties, on the expiry of a further period of three months, except in the following cases:

(a) In cases where similar amendments to other international agreements governing the carriage of dangerous goods have already entered into force, or will enter into force at a different date, the Secretary-General may decide, upon written request by the Executive Secretary of the Economic Commission for Europe, that the amendment shall enter into force on the expiry of a different period so as to allow the simultaneous entry into force of these amendments with those to be made to such other agreements or, if not possible, the quickest entry into force of this amendment after the entry into force of such amendments to other agreements; such period shall not, however, be of less than one month's duration.
(b) The Administrative Committee may specify, when adopting a draft amendment, for the purpose of entry into force of the amendment, should it be accepted, a period of more than three months' duration."

Consequently, unless the proposed amendments to the annexed Regulations are deemed rejected pursuant to article 5 within three months from the date of the notification, i.e., on 1 October 2012, the Secretary General proposes that the amendments in question will enter into force on 1 January 2013.

The texts of the proposed amendments are contained in documents ECE/ADN/18 and ECE/ADN/18/Corr.1 which can be accessed on the website of the UNECE Transport Division at the following address:
