REGULATION NO. 48. UNIFORM PROVISIONS CONCERNING THE APPROVAL OF VEHICLES WITH REGARD TO THE INSTALLATION OF LIGHTING AND LIGHT-SIGNALLING DEVICES

PROPOSAL OF AMENDMENTS TO REGULATION NO. 48

The Secretary-General of the United Nations, acting in his capacity as depositary, communicates the following:

On 26 March 2013, the Secretary-General received from the Administrative Committee of the above Agreement, pursuant to article 12 (1) of the Agreement, amendments to Regulation No. 48 proposed at the fifty-third session of the Administrative Committee.

The Secretary-General wishes to draw attention to article 12 (2) and (3) of the Agreement which read as follows:

"2. An amendment to a Regulation will be considered to be adopted unless, within a period of six months from its notification by the Secretary-General, more than one-third of the Contracting Parties applying the Regulation at the time of notification have informed the Secretary-General of their disagreement with the amendment. If, after this period, the Secretary-General has not received declarations of disagreement of more than one-third of the Contracting Parties applying the Regulation, the Secretary-General shall as soon as possible declare the amendment as adopted and binding upon those Contracting Parties applying the Regulation who did not declare themselves opposed to it. When a Regulation is amended and at least one-fifth of the Contracting Parties applying the unamended Regulation subsequently declare that they wish to continue to apply the unamended Regulation, it shall be re-opened for the purpose of the adoption of an amendment, or shall be declared as not adopted and not binding upon those Contracting Parties applying the unamended Regulation who did not declare themselves opposed to it.

3. An amendment to a Regulation shall not be considered to be adopted unless, within a period of six months from its notification by the Secretary-General, the majority of the Contracting Parties applying the Regulation at the time of notification have informed the Secretary-General of their acceptance of the amendment.

In this case the obligations of the Contracting Parties applying the Regulation shall be the same as set out in paragraph 1.

3. Should a new Contracting Party accede to this Agreement between the time of the notification of the amendment to a Regulation by the Secretary-General and its entry into force, the Regulation in question shall not enter into force for that Contracting Party until two months after it has formally accepted the amendment or two months after the lapse of a period of six months since the communication to that Party by the Secretary-General of the proposed amendment.”
