CONVENTION ON THE RIGHTS OF PERSONS WITH DISABILITIES
NEW YORK, 13 DECEMBER 2006

SLOVAKIA: OBJECTION TO THE RESERVATION MADE BY LIBYA UPON RATIFICATION¹

The Secretary-General of the United Nations, acting in his capacity as depositary, communicates the following:

The above action was effected on 11 February 2019.

(Original: English)

“The Government of Slovakia has carefully examined the content of the declaration made by Libya upon its ratification of the Convention on the Rights of Persons with Disabilities.

Considering the exact wording of the declaration that does not clearly define the extent to which Libya has accepted obligations under the Convention, Slovakia is of the opinion that Libya has in fact made a reservation. This reservation is too general and raises serious doubts as to the commitment of Libya to the object and the purpose of the Convention.

For these reasons, the Government of Slovakia objects to the above mentioned reservation made by Libya upon its ratification of the Convention.

This objection shall not preclude the entry into force of the Convention between Slovakia and Libya. The Convention enters into force in its entirety between Slovakia and Libya without Libya benefiting from its reservation.”
