ISSUANCE OF CERTIFIED TRUE COPIES

The Secretary-General of the United Nations, acting in his capacity as depositary, has the honour to transmit herewith a certified true copy of the Convention.

The Secretary-General takes this opportunity to call the attention of the competent authorities to the fact that certified true copies are established specifically for the purpose of enabling the Governments concerned to complete the internal procedures required for participation in the Convention at the international level.

For budgetary reasons, certified true copies are printed in limited numbers, and it is expected that any additional copies that may be required could be reproduced by the authorities concerned themselves on the basis of the copy accompanying the present notification or the electronic certified true copy of the Convention available on the United Nations Treaty Collection website at the following address: https://treaties.un.org/doc/Publication/CTC/Ch_XVIII_16.pdf.
