Declarations and Reservations

(Unless otherwise indicated, the declarations and reservations were made upon definitive signature, ratification, accession or succession. For objections thereto, see hereinafter.)

BULGARIA⁹

The People's Republic of Bulgaria declares that article 9, which entitles only States members of the Economic Commission for Europe to become Parties to the Agreement, is discriminatory. The People's Republic of Bulgaria also declares that article 14, pursuant to which a State may declare that the Agreement will also be applicable to territories for the international relations of which that State is responsible, is contrary to the General Assembly's Declaration on the Granting of Independence to Colonial Countries and Peoples of 14 December 1960.

CZECH REPUBLIC³

HUNGARY

"[The Government of the Hungarian People's Republic] does not consider itself bound by article 15, paragraphs 2 and 3, of the Agreement."

POLAND¹⁰

RUSSIAN FEDERATION

The Union of Soviet Socialist Republics does not consider itself bound by the provisions of article 15, paragraphs 2 and 3, of the Agreement relating to the

mandatory submission to arbitration, at the request of one of the Parties, of any dispute concerning the interpretation or application of the Agreement.

The Union of Soviet Socialist Republics deems it necessary to state that the provisions of article 9 of the Agreement, which limit the circle of possible participants to this Agreement, are of a discriminatory character, and states that, in accordance with the principles of sovereign equality among States, the Agreement should be opened for participation by all European States without any discrimination or restriction;

The provisions of article 14 of the Agreement under which Contracting Parties may extend its applicability to

territories for the international relations of which they are responsible, are outmoded and contrary to the Declaration of the United Nations General Assembly on the Granting of Independence to Colonial Countries and Peoples (resolution 1514 (XV) of 14 December 1960).

SLOVAKIA³

UNITED STATES OF AMERICA

"The Agreement does not apply to carriage in the United States of America and its territories."

Objections

(Unless otherwise indicated, the objections were received upon definitive signature, ratification, accession or succession.)

FRANCE

[The French Government] considers that only European States can formulate the declaration provided for in article 10 with respect to carriage performed in territories situated outside Europe.

It therefore raises an objection to the declaration by the Government of the United States of America and, consequently, declares that it will not be bound by the ATP Agreement in its relations with the United States of America.

ITALY

[*Same objection as under France.*]

UNITED STATES OF AMERICA

21 September 1984

"The United States considers that under the clear language of article 10 [of the Agreement], as confirmed by the negotiating history, any State party to the Agreement may file a declaration under that article. The United States therefore considers that the objections of Italy and France and the declarations that those nations will not be bound by the Agreement in their relations with the United States are unwarranted and regrettable. The United States reserves its rights with regard to this matter and proposes that the parties continue to attempt cooperatively to resolve the issue."
