Declarations and Reservations
(Unless otherwise indicated, the declarations and reservations were made upon ratification, accession, acceptance, approval or succession.)

AUSTRIA

"Declaration in respect of Article 8 of the European Agreement on Main International Railway Lines (AGC):

The Federal Government of the Republic of Austria declares herewith in accordance with Article 9 of the European Agreement on Main International Railway Lines (AGC) that the Republic of Austria does not consider herself bound by the provisions of Article 8 of the AGC.

The topographic conditions in Austria do not permit a complete adherence to the parameter "nominal minimum speed" of 160 kph on existing lines and of 250 kph on new lines to be built. Also, when considering the optimal use of resources available for the improvement of railroad infrastructure and the priority goal of the lines capacity, the parameter of a "nominal minimum speed" of 250 kph cannot be upheld for all new lines."

BELARUS
