***Declarations and Reservations***  
***(Unless otherwise indicated, the declarations and reservations were made upon ratification, acceptance, approval, accession or succession.)***

**HOLY SEE**

“In acceding to the Vienna Convention on the Protection of the Ozone Layer and the Montreal Protocol on Substances that Deplete the Ozone Layer, as well as its four Amendments: London (1990), Copenhagen (1992), Montreal (1997) and Beijing (1999), the Holy See desires to encourage the entire International Community to be

resolute in promoting authentic cooperation between politics, science and economics. Such cooperation, as has been shown in the case of the ozone regime, can achieve important outcomes, which make it simultaneously possible to safeguard creation, to promote integral human development and to care for the common good, in a spirit of responsible solidarity and with profound positive repercussions for present and future generations.

In conformity with its own nature and with the particular character of Vatican City State, the Holy See, by means of the solemn act of accession, intends to give its own moral support to the commitment of States to the correct and effective implementation of the Treaties in question and to the attaining of the mentioned objectives. To this end, it expresses the wish that by recognizing ‘the signs of [an economic growth] that has not always been

able to protect the delicate balances of nature’ (Homily of Pope Benedict XVI at Loreto, 2 September 2007), all actors will intensify the aforesaid cooperation and strengthen ‘the alliance between man and the environment, which must mirror the creative love of God, from whom we come and to whom we are bound’ (Benedict XVI, After the Angelus, 16 September 2007).”

<sup>4</sup> *On 5 August 2014* the Government of the United Kingdom of Great Britain and Northern Ireland notified the Secretary-General that the Amendment would extend to the territory of Gibraltar as follows:

“... the Government of the United Kingdom of Great Britain and Northern Ireland wishes the United Kingdom’s Ratification of the [Amendment] be extended to the territory of Gibraltar for whose international relations the United Kingdom is responsible.

The Government of the United Kingdom of Great Britain and Northern Ireland considers the extension of the [Amendment] to the territory of Gibraltar to enter into force on the day of receipt of this notification by [the depositary] for deposit...”
