AGREEMENT¹ ON ECONOMIC, INDUSTRIAL, SCIENTIFIC AND TECHNICAL CO-OPERATION BETWEEN THE KINGDOM OF DENMARK AND THE DEMOCRATIC REPUBLIC OF SUDAN

The Government of the Kingdom of Denmark and the Government of the Democratic Republic of Sudan,

Desirous of further strengthening the friendly relations between the two countries,

Confirming their interest in supporting and facilitating the continued development of economic, industrial, scientific and technical co-operation between the two countries to their mutual advantage,

Recognizing the great significance of co-operation and desiring to create the most appropriate conditions for its development,

Have agreed as follows:

Article 1. The Parties shall encourage and develop the economic, industrial, scientific and technical co-operation between the two countries.

Article 2. The Parties recognize that possibilities for co-operation should be explored and utilized *inter alia* in the following fields:

- a) co-operation between Danish and Sudanese institutions and enterprises on projects of mutual interest including license and know-how arrangements and joint ventures in the two countries,
- b) studies and visits, with a view to the implementation of joint projects,
- c) arranging of courses and conferences,
- d) exchange of specialists and trainees,
- e) exchange of technical documentation and information.

Article 3. The conditions governing particular projects of economic, industrial, scientific and technological co-operation shall be agreed between the respective organizations, enterprises and firms of the countries, in accordance with the laws and regulations in force in the respective countries.

Article 4. The Contracting Parties agree to establish a Joint Commission on economic, industrial, scientific and technical co-operation composed of representatives of the two countries.

The Joint Commission shall:

- supervise the implementation of this agreement and in this connection endeavour to remove possible obstacles encountered in the course of the implementation of the agreement,
- consider proposals presented by either side, aimed at supporting and developing the economic, industrial, scientific and technical co-operation between the two countries,

¹ Came into force on 21 May 1976 by signature, in accordance with article 5.

—make recommendations for measures to be taken for the successful implementation of the agreement.

At the request of either Party the Joint Commission shall meet alternately in Denmark and in the Democratic Republic of Sudan unless otherwise agreed.

Article 5. This Agreement shall enter into force on the date of signature. It remains in force as long as it is not terminated by one of the Parties with a notice of six months. Any such termination shall have no effect on the fulfilment of contracts and arrangements made under the provisions of the present Agreement.
