AGREEMENT¹ BETWEEN THE GOVERNMENTS OF THE KINGDOM OF DENMARK AND OF THE TOGOLESE REPUBLIC REGARDING A LOAN BY THE KINGDOM OF DENMARK TO THE TOGOLESE REPUBLIC

The Government of Denmark and the Government of the Togolese Republic, desiring to strengthen the traditional co-operation and cordial relations existing between their countries, have agreed that, with a view to the economic development of Togo, a Danish Government loan shall be extended to the Togolese Republic in accordance with the following provisions of this Agreement and the attached annexes which form an integral part of the Agreement.

Article I. THE LOAN

The Government of Denmark (hereinafter called the Lender) shall extend to the Government of the Togolese Republic (hereinafter called the Borrower) a loan of 20 (twenty) million Danish kroner for the purposes described in article VI below.

Article II. LOAN ACCOUNT

1. An account designated "Togolese Government Loan Account" (hereinafter called "Loan Account") shall be opened at the Borrower's request with Danmarks Nationalbank (acting as agent for the Lender) in favour of the Ministry of Finance and Economic Affairs (acting as agent for the Borrower). The Lender shall ensure that sufficient funds are always available in the Loan Account to enable the Borrower to effect punctual payments for the capital goods and services which may be provided under the loan.

2. The Borrower (or the Ministry of Finance and Economic Affairs) shall be entitled, subject to the provisions of the Agreement, to withdraw from the Loan Account amounts needed for payment for capital goods or services provided under the Loan.

Article III. RATE OF INTEREST

The Loan shall be free of interest.

Article IV. REPAYMENT

1. The Borrower undertakes to repay the Loan in 35 semi-annual instalments of 555,000 Danish kroner each, the first instalment on 1 April 1984, the final instalment on 1 April 2001, and the final balance of 575,000 Danish kroner on 1 October 2001.

2. If, in accordance with the provisions of article VI, paragraph 8, the Loan has not been fully utilized, the amount of the semi-annual instalments shall be revised by agreement between the Borrower and the Lender.

¹ Came into force on 28 March 1977 by signature, in accordance with article X(1).

Article V. PLACE OF PAYMENT

The Borrower undertakes to repay the Loan to Danmarks Nationalbank in convertible Danish kroner by crediting the current account of the Danish Ministry of Finance with Danmarks Nationalbank.

Article VI. USE OF THE LOAN BY THE GOVERNMENT OF THE TOGOLESE REPUBLIC

1. The Borrower shall use the Loan to finance imports from Denmark of such capital goods of Danish origin (including transport charges from Denmark to Togo) as are to be used for identifiable projects and are needed for the economic development of Togo (indicated on the annexed list, which may be amended or extended by agreement between the Borrower and the Lender).

2. In addition, the Loan shall be used for payment for Danish services required for the implementation of the development projects of Togo, including, in particular, pre-investment studies, preparation of plans, experts engaged in the execution of projects, assembly or construction of plants or buildings, and technical and administrative assistance during the putting into operation of undertakings established by means of the Loan.

3. All the contracts financed by means of the Loan shall be subject to approval by the Borrower and the Lender.

4. By approving a contract concluded under the Loan, the Lender shall not assume any responsibility as to the proper execution or implementation of the contract.

Moreover, the Lender shall not be responsible for the profitable use of the goods provided and the services financed by the Loan, or for the proper execution of the plans, etc., of which such goods and services form part.

5. A contract concluded under the Loan shall not contain any provisions under which the Danish exporter grants special credit facilities.

6. The Loan shall be used only to pay for capital goods and services for which a contract is signed after the entry into force of the Agreement, unless otherwise agreed by the Borrower and the Lender.

7. The Loan shall not be used for payment of customs duty, taxes or other Government or public charges in any form, for example, import surcharges, duties to compensate for domestic excise taxes, charges or deposits in connexion with the issue of payments licences or import licences to the Borrower.

8. The Borrower may draw against the account with Danmarks Nationalbank referred to in article II in fulfilment of contracts approved by the Lender and the Borrower for a period of up to three years from the date on which the Agreement enters into force or from another date decided on by agreement between the Lender and the Borrower.

Article VII. NON-DISCRIMINATION

1. The Borrower undertakes not to accord the Lender less favourable treatment with regard to the repayment of the Loan than that accorded to other foreign creditors.

2. All shipments of capital goods under this Agreement shall be effected in accordance with the principle that all ships have the right to participate in international trade in conditions of free and equal competition.

Article VIII. MISCELLANEOUS PROVISIONS

1. Prior to the first drawing against the account referred to in article II, the Borrower shall satisfy the Lender that all the constitutional or other legislative requirements of the country of the Borrower have been met, so that this Agreement shall be legally binding on the Borrower.

2. The Borrower shall inform the Lender of persons authorized to act on its behalf and shall provide an authenticated specimen signature of each of them.

3. Any notice, request or arrangement under this Agreement, shall be in writing.

Article IX. PARTICULAR COVENANTS

The repayment of the Loan shall be effected without deduction of and free from all taxes and charges and from all restrictions provided for in the domestic law of the Borrower. The Agreement shall be exempt from any charges under the present or future laws of the Borrower in connexion with the issue, conclusion, registration or entry into force of the Agreement or otherwise.

ANNEX I

The following provisions shall govern the rights and obligations arising from the Agreement concluded between the Governments of the Kingdom of Denmark and of the Togolese Republic regarding a Danish Government Loan to Togo (hereinafter called the Agreement). EXCHANGE OF NOTES

I

Paris, 28 March 1977

Sir,

With reference to the Agreement signed this day between the Governments of the Kingdom of Denmark and the Togolese Republic regarding a development loan (hereinafter called the Agreement), I have the honour to propose that the following rules shall apply to the implementation of article VI of the Agreement.

Disbursements from the Loan Account shall be effected in the following manner:

(1) The Danish exporter or expert and the Togolese importer or investor shall conclude a contract which shall in the last instance be approved by the authorities of Togo and of Denmark. No contract for an amount less than 200,000 Danish kroner, except in the case of utilisation of a final balance amounting to less, shall be financed under the Agreement.

(2) The Government of the Togolese Republic shall submit to the Danish Ministry of Foreign Affairs copies of contracts drawn up under the Agreement. The Ministry of Foreign Affairs shall ascertain, *inter alia*, whether:

- (a) the goods or services covered by the contract fall within the scope of the Agreement,
- (b) the capitals goods in question were manufactured in Denmark or the services required will be rendered by persons carrying on business in Denmark

and it shall inform the Government of the Togolese Republic of its decision.

(3) When the contracts have been approved, the Government of the Togolese Republic may draw on the account opened with Danmarks Nationalbank in order to effect payment for the consignment of goods or the services referred to in the contract. Disbursements from this account to pay Danish exporters or exports shall be subject to presentation of the necessary documents after Danmarks Nationalbank has determined that all the conditions for making such disbursements have been fulfilled.

If the foregoing provisions are acceptable to the Government of the Togolese Republic, I have the honour to propose that this letter and your reply shall constitute an agreement between our two Governments.

Accept, Sir, etc.
