<sup>2</sup> In accordance with Article IV of the Protocol, texts of the instruments as formally amended by the Protocol were circulated for information only. They have not been deposited with the Secretary-General and are not registered with the Secretariat. Subsequent actions are therefore registered under No. 186 originally assigned to the Protocol.

<sup>3</sup> Although the Protocol of 11 December 1946 does not formally amend the 1912 Convention, it provides in its article III:

“The functions conferred upon the Netherlands Government under articles 21 [to] 25 of the International Opium Convention signed at The Hague on 23 January 1912, and entrusted to the Secretary-General of the League of Nations with the consent of the Netherlands Government, by a resolution of the League of Nations Assembly dated 15 December 1920, shall henceforward be exercised by the Secretary-General of the United Nations.”

Actions relating to the Convention of 1912 as amended in effect by the above provisions are registered in the same way as actions relating to the Conventions as formally amended by the Protocol of 1946, namely under No. 186 originally assigned to the latter Protocol; for such actions see references in Cumulative Indexes Nos. 1 to 8, 10, 12 and 16, as well as annex A in volume 1202.
