* The International Coffee Council, by Resolution No. 369 of 30 September 1994, established the conditions by which any country eligible to sign the Agreement, under the provisions of article 38, could accede to the Agreement up to and including 31 March 1995.

Recognizing the need to foster the development of productive resources and the promotion and maintenance of employment and income in the coffee industry in Member countries, thereby bringing about fair wages, higher living standards and better working conditions;

Considering that close international cooperation on trade in coffee will foster the economic diversification and development of coffee-producing countries, will contribute to the improvement of political and economic relations between coffee exporting and importing countries, and will provide for increasing consumption of coffee;

Recognizing the desirability of avoiding disequilibrium between production and consumption which can give rise to pronounced fluctuations in prices harmful both to producers and to consumers;

Considering the relationship between the stability of the trade in coffee and the stability of markets for manufactured goods;

Noting the advantages derived from the international cooperation which resulted from the operation of the International Coffee Agreements 1962,¹ 1968,² 1976³ and 1983;⁴

Have agreed as follows:

ARTICLE 3

General undertakings by Members

(1) Members undertake to adopt such measures as are necessary to enable them to fulfil their obligations under this Agreement and fully cooperate with one another in securing the attainment of the objectives of this Agreement; in particular, Members undertake to provide all information necessary to facilitate the functioning of this Agreement.

(2) Members recognize that Certificates of Origin are important sources of information on the trade in coffee. Exporting Members, therefore, assume responsibility for ensuring the proper issuing and use of Certificates of Origin according to the rules established by the Council.

(3) Members recognize further that information on re-exports is also important for the proper analysis of the world coffee economy. Importing Members, therefore, undertake to supply regular and accurate information on re-exports, in the form and manner determined by the Council.

CHAPTER IV — MEMBERSHIP

ARTICLE 4

Membership of the Organization

(1) Each Contracting Party, together with those territories to which this Agreement is extended under the provisions of paragraph (1) of Article 43, shall constitute a single

Member of the Organization, except as otherwise provided for under the provisions of Articles 5 and 6.

(2) A Member may change its category of membership on such conditions as the Council may agree.

(3) Any reference in this Agreement to a Government shall be construed as including a reference to the European Community, or any intergovernmental organization having comparable responsibilities in respect of the negotiation, conclusion and application of international agreements, in particular commodity agreements.

(4) Such intergovernmental organization shall not itself have any votes but in the case of a vote on matters within its competence it shall be entitled to cast collectively the votes of its Member States. In such cases, the Member States of such intergovernmental organization shall not be entitled to exercise their individual voting rights.

(5) Such intergovernmental organization shall not be eligible for election to the Executive Board under the provisions of paragraph (1) of Article 17 but may participate in the discussions of the Executive Board on matters within its competence. In the case of a vote on matters within its competence, and notwithstanding the provisions of paragraph (1) of Article 20, the votes which its Member States are entitled to cast in the Executive Board may be cast collectively by any one of those Member States.

ARTICLE 5

Separate membership in respect of designated territories

Any Contracting Party which is a net importer of coffee may, at any time, by appropriate notification in accordance with the provisions of paragraph (2) of Article 43, declare that it is participating in the Organization separately with respect to any of the

territories for whose international relations it is responsible, which are net exporters of coffee and which it designates. In such case, the metropolitan territory and its non-designated territories will have a single membership, and its designated territories, either individually or collectively as the notification indicates, will have separate membership.

ARTICLE 6

Group membership

(1) Two or more Contracting Parties which are net exporters of coffee may, by appropriate notification to the Council and to the Secretary-General of the United Nations at the time of deposit of their respective instruments of ratification, acceptance, approval, provisional application or accession, declare that they are participating in the Organization as a Member group. A territory to which this Agreement has been extended under the provisions of paragraph (1) of Article 43 may constitute part of such Member group if the Government of the State responsible for its international relations has given appropriate notification thereof under the provisions of paragraph (2) of Article 43. Such Contracting Parties and designated territories must satisfy the following conditions:

- (a) they shall declare their willingness to accept responsibility for group obligations in an individual as well as a group capacity; and
- (b) they shall subsequently provide satisfactory evidence to the Council that:
 - (i) the group has the organization necessary to implement a common coffee policy and that they have the means of complying, together with the other parties to the group, with their obligations under this Agreement; and
 - (ii) they have a common or coordinated commercial and economic policy in relation to coffee and a coordinated monetary and financial policy,

as well as the organs necessary to implement such policies, so that the Council is satisfied that the Member group is able to comply with the group obligations involved.

(2) Any Member group recognized under the International Coffee Agreement 1983 shall continue to be recognized as a group unless it notifies the Council that it no longer wishes to be so recognized.

(3) The Member group shall constitute a single Member of the Organization, except that each party to the group shall be treated as if it were a single Member in relation to matters arising under the following provisions:

- (a) Articles 11 and 12; and
- (b) Article 46.

(4) The Contracting Parties and designated territories joining as a Member group shall specify the Government or organization which will represent them in the Council on matters arising under this Agreement other than those specified in paragraph (3) of this Article.

(5) The voting rights of the Member group shall be as follows:

- (a) the Member group shall have the same number of basic votes as a single Member country joining the Organization in an individual capacity. These basic votes shall be attributed to and cast by the Government or organization representing the group; and
- (b) in the event of a vote on any matters arising under the provisions of paragraph (3) of this Article, the parties to the Member group may cast separately the votes attributed to them under the provisions of paragraph (3) of Article 13 as if each were an individual Member of the

Organization, except for the basic votes, which shall remain attributable only to the Government or organization representing the group.

(6) Any Contracting Party or designated territory which is a party to a Member group may, by notification to the Council, withdraw from that group and become a separate Member. Such withdrawal shall take effect upon receipt of the notification by the Council. If a party to a Member group withdraws from that group or ceases to participate in the Organization, the remaining parties to the group may apply to the Council to maintain the group; the group shall continue to exist unless the Council disapproves the application. If the Member group is dissolved, each former party to the group will become a separate Member. A Member which has ceased to be a party to a group may not, as long as this Agreement remains in force, again become a party to a group.

(7) Any Contracting Party which wishes to become party to a Member group after this Agreement has entered into force may do so by notification to the Council provided that:

- (a) other Members of the group declare their willingness to accept the Member concerned as party to the Member group; and
- (b) it notifies the Secretary-General of the United Nations that it is participating in the group.

(8) Two or more exporting Members may, at any time after this Agreement has entered into force, apply to the Council to form a Member group. The Council shall approve the application if it finds that the Members have made a declaration and have provided satisfactory evidence in accordance with the requirements of paragraph (1) of this Article. Upon such approval, the Member group shall be subject to the provisions of paragraphs (3), (4), (5) and (6) of this Article.

¹ United Nations, *Treaty Series*, vol. 700, p. 97.

(3) The Headquarters Agreement referred to in paragraph (2) of this Article shall be independent of this Agreement. It shall however terminate:

Such arrangements may include financial arrangements which the Council considers appropriate for achieving the objectives of this Agreement. However, in respect of the implementation of any project under such arrangements the Organization shall not incur any financial obligations for guarantees given by individual Members or other entities. No Member shall be responsible by reason of its membership of the Organization for any liability arising from borrowing or lending by any other Member or entity in connection with such projects.

(2) Where possible, the Organization may also collect from Members, non-members, and from donor and other agencies, information on development projects and programmes focusing on the coffee sector. - (2) The other expenses necessary for the administration of this Agreement shall be met by annual contributions from the Members assessed in accordance with the provisions of Article 22, together with revenues from sales of specific services to Members and the sale of information and studies generated under the provisions of Articles 27 and 29.
- (3) The financial year of the Organization shall be the same as the coffee year.

ARTICLE 22**Determination of the Administrative Budget and
assessment of contributions**

- (1) During the second half of each financial year, the Council shall approve the Administrative Budget of the Organization for the following financial year and shall assess the contributions of each Member to that Budget. The Administrative Budget shall be prepared by the Executive Director and supervised by the Finance Committee in accordance with the provisions of paragraph (4) of Article 19.
- (2) The contribution of each Member to the Administrative Budget for each financial year shall be in the proportion which the number of its votes at the time the Administrative Budget for that financial year is approved bears to the total votes of all

the Members. However, if there is any change in the distribution of votes among Members in accordance with the provisions of paragraph (5) of Article 13 at the beginning of the financial year for which contributions are assessed, such contributions shall be correspondingly adjusted for that year. In determining contributions, the votes of each Member shall be calculated without regard to the suspension of the voting rights of any Member or any redistribution of votes resulting therefrom.

(3) The initial contribution of any Member joining the Organization after the entry into force of this Agreement shall be assessed by the Council on the basis of the number of votes to be held by it and the period remaining in the current financial year, but the assessments made upon other Members for the current financial year shall not be altered.

ARTICLE 23

Payment of contributions

(1) Contributions to the Administrative Budget for each financial year shall be payable in freely convertible currency and shall become due on the first day of that financial year.

(2) If any Member fails to pay its full contribution to the Administrative Budget within six months of the date on which the contribution is due, both its voting rights in the Council and its right to have its votes cast in the Executive Board shall be suspended until such contribution has been paid. However, unless the Council by a distributed two-thirds majority vote so decides, such Member shall not be deprived of any of its other rights nor relieved of any of its obligations under this Agreement.

(3) Any Member whose voting rights have been suspended either under the provisions of paragraph (2) of this Article or under the provisions of Article 37 shall nevertheless remain responsible for the payment of its contribution.

ARTICLE 24

Liabilities

(1) The Organization, functioning as specified in paragraph (3) of Article 7, shall not have power to incur any obligation outside the scope of this Agreement, and shall not be taken to have been authorized by the Members to do so; in particular, it shall not have the capacity to borrow money. In exercising its capacity to contract, the Organization shall incorporate in its contracts the terms of this Article in such a way as to bring them to the notice of the other parties entering into contracts with the Organization, but any failure to incorporate such terms shall not invalidate such a contract or render it *ultra vires*.

(2) A Member's liability is limited to the extent of its obligations regarding contributions specifically provided for in this Agreement. Third parties dealing with the Organization shall be deemed to have notice of the provisions of this Agreement regarding the liabilities of Members.

ARTICLE 25

Audit and publication of accounts

As soon as possible and not later than six months after the close of each financial year, an independently audited statement of the Organization's receipts and expenditures during that financial year shall be presented to the Council for approval and publication.

CHAPTER IX — THE EXECUTIVE DIRECTOR AND THE STAFF

ARTICLE 26

The Executive Director and the staff

- (1) The Council shall appoint the Executive Director on the recommendation of the Executive Board. The terms of appointment of the Executive Director shall be established by the Council and shall be comparable to those applying to corresponding officials of similar intergovernmental organizations.
- (2) The Executive Director shall be the chief administrative officer of the Organization and shall be responsible for the performance of any duties devolving upon him in the administration of this Agreement.
- (3) The Executive Director shall appoint the staff in accordance with regulations established by the Council.
- (4) Neither the Executive Director nor any member of the staff shall have any financial interest in the coffee industry, the coffee trade or the transportation of coffee.
- (5) In the performance of their duties, the Executive Director and the staff shall not seek or receive instructions from any Member or from any other authority external to the Organization. They shall refrain from any action which might reflect on their position as international officials responsible only to the Organization. Each Member undertakes to respect the exclusively international character of the responsibilities of the Executive Director and the staff and not to seek to influence them in the discharge of their responsibilities.

CHAPTER X — INFORMATION, STUDIES AND SURVEYS**ARTICLE 27****Information**

- (1) The Organization shall act as a centre for the collection, exchange and publication of:
- (a) statistical information on world production, prices, exports and imports, distribution and consumption of coffee; and
 - (b) in so far as is considered appropriate, technical information on the cultivation, processing and utilization of coffee.
- (2) The Council may require Members to furnish such information as it considers necessary for its operations, including regular statistical reports on coffee production, production trends, exports and imports, distribution, consumption, stocks, prices and taxation, but no information shall be published which might serve to identify the operations of persons or companies producing, processing or marketing coffee. Members shall furnish information requested in as detailed and accurate a manner as is practicable.
- (3) The Council shall establish a system of indicator prices which shall provide for the publication of a daily composite indicator price.
- (4) If a Member fails to supply or finds difficulty in supplying within a reasonable time statistical and other information required by the Council for the proper functioning of the Organization, the Council may require the Member concerned to explain the reasons for non-compliance. If it is found that technical assistance is needed in the matter, the Council may take any necessary measures.

ARTICLE 28

Certificates of Origin

(1) In order to facilitate the collection of statistics on the international coffee trade and to ascertain the quantities of coffee which have been exported by each exporting Member, the Organization shall establish a system of Certificates of Origin, governed by rules approved by the Council.

(2) Every export of coffee by an exporting Member shall be covered by a valid Certificate of Origin. Certificates of Origin shall be issued, in accordance with the rules established by the Council, by a qualified agency chosen by the Member and approved by the Organization.

(3) Each exporting Member shall notify the Organization of the government or non-governmental agency which is to perform the functions specified in paragraph (2) of this Article. The Organization shall specifically approve a non-governmental agency in accordance with the rules approved by the Council.

ARTICLE 29

Studies and surveys

(1) The Organization shall promote the preparation of studies and surveys concerning the economics of coffee production and distribution, the impact of governmental measures in producing and consuming countries on the production and consumption of coffee, and the opportunities for expansion of coffee consumption for traditional and possible new uses.

(2) In order to carry out the provisions of paragraph (1) of this Article, the Council shall adopt, at its second regular session of each coffee year, a draft annual work

programme of studies and surveys, with estimated resource requirements, prepared by the Executive Director.

(3) The Council may approve the undertaking by the Organization of studies and surveys to be conducted jointly or in cooperation with other organizations and institutions. In such cases, the Executive Director shall present to the Council a detailed account of the resource requirements from the Organization and from the partner or partners involved with the project.

(4) The studies and surveys to be promoted by the Organization pursuant to the provisions of this Article shall be financed by resources included in the Administrative Budget, prepared in accordance with the provisions of paragraph (1) of Article 22, and shall be undertaken by members of the staff of the Organization and consultants as required.

CHAPTER XI — GENERAL PROVISIONS

ARTICLE 30

Preparations for a new Agreement

The Council may examine the possibility of negotiating a new International Coffee Agreement, including an Agreement which could contain measures designed to balance the supply and demand for coffee, and take such actions as it deems appropriate.

ARTICLE 31

Removal of obstacles to consumption

(1) Members recognize the utmost importance of achieving the greatest possible increase of coffee consumption as rapidly as possible, in particular through the progressive removal of any obstacles which may hinder such increase.

(2) Members recognize that there are at present in effect measures which may to a greater or lesser extent hinder the increase in consumption of coffee, in particular:

- (a) import arrangements applicable to coffee, including preferential and other tariffs, quotas, operations of government monopolies and official purchasing agencies, and other administrative rules and commercial practices;
- (b) export arrangements as regards direct or indirect subsidies and other administrative rules and commercial practices; and
- (c) internal trade conditions and domestic legal and administrative provisions which may affect consumption.

(3) Having regard to the objectives stated above and to the provisions of paragraph (4) of this Article, Members shall endeavour to pursue tariff reductions on coffee or to take other action to remove obstacles to increased consumption.

(4) Taking into account their mutual interest, Members undertake to seek ways and means by which the obstacles to increased trade and consumption referred to in paragraph (2) of this Article may be progressively reduced and eventually, wherever possible, eliminated, or by which the effects of such obstacles may be substantially diminished.

(5) Taking into account any commitments undertaken under the provisions of paragraph (4) of this Article, Members shall inform the Council annually of all measures adopted with a view to implementing the provisions of this Article.

(6) The Executive Director shall prepare periodically a survey of the obstacles to consumption to be reviewed by the Council.

(7) The Council may, in order to further the purposes of this Article, make recommendations to Members which shall report as soon as possible to the Council on the measures adopted with a view to implementing such recommendations.

ARTICLE 32

Measures related to processed coffee

- (1) Members recognize the need of developing countries to broaden the base of their economies through, *inter alia*, industrialization and the export of manufactured products, including the processing of coffee and the export of processed coffee.
- (2) In this connection, Members shall avoid the adoption of governmental measures which could cause disruption to the coffee sector of other Members.
- (3) Should a Member consider that the provisions of paragraph (2) of this Article are not being complied with, it should consult with the other Members concerned, having due regard to the provisions of Article 36. The Members concerned shall make every effort to reach amicable settlement on a bilateral basis. If these consultations do not lead to a mutually satisfactory solution, either party may bring the matter before the Council for consideration under the provisions of Article 37.
- (4) Nothing in this Agreement shall prejudice the right of any Member to take measures to prevent or remedy disruption to its coffee sector by imports of processed coffee.

ARTICLE 33

Mixtures and substitutes

- (1) Members shall not maintain any regulations requiring the mixing, processing or using of other products with coffee for commercial resale as coffee. Members shall

endeavour to prohibit the sale and advertisement of products under the name of coffee if such products contain less than the equivalent of 90 percent green coffee as the basic raw material.

(2) The Council may request any Member to take the steps necessary to ensure observance of the provisions of this Article.

(3) The Executive Director shall submit to the Council a periodic report on compliance with the provisions of this Article.

ARTICLE 34

Consultation and cooperation with the private sector

(1) The Organization shall maintain close links with appropriate non-governmental organizations concerned with international commerce in coffee, and with experts in coffee matters.

(2) Members shall conduct their activities within the framework of this Agreement in a manner consonant with established trade channels and shall refrain from discriminatory sales practices. In carrying out these activities they shall endeavour to take due account of the legitimate interests of the coffee trade and industry.

ARTICLE 35

Environmental aspects

Members shall give due consideration to the sustainable management of coffee resources and processing, bearing in mind the principles and objectives on sustainable development agreed at the Eighth Session of the United Nations Conference on Trade and Development and the United Nations Conference on Environment and Development.

CHAPTER XII — CONSULTATIONS, DISPUTES AND COMPLAINTS**ARTICLE 36****Consultations**

Each Member shall accord sympathetic consideration to, and shall afford adequate opportunity for, consultation regarding such representations as may be made by another Member with respect to any matter relating to this Agreement. In the course of such consultation, on request by either party and with the consent of the other, the Executive Director shall establish an independent panel which shall use its good offices with a view to conciliating the parties. The costs of the panel shall not be chargeable to the Organization. If a party does not agree to the establishment of a panel by the Executive Director, or if the consultation does not lead to a solution, the matter may be referred to the Council in accordance with the provisions of Article 37. If the consultation does lead to a solution, it shall be reported to the Executive Director who shall distribute the report to all Members.

ARTICLE 37**Disputes and complaints**

- (1) Any dispute concerning the interpretation or application of this Agreement which is not settled by negotiation shall, at the request of any Member party to the dispute, be referred to the Council for decision.
- (2) In any case where a dispute has been referred to the Council under the provisions of paragraph (1) of this Article, a majority of Members, or Members holding not less than

one third of the total votes, may require the Council, after discussion, to seek the opinion of the advisory panel referred to in paragraph (3) of this Article on the issues in dispute before giving its decision.

- (3) (a) Unless the Council unanimously agrees otherwise, the advisory panel shall consist of:
- (i) two persons, one having wide experience in matters of the kind in dispute and the other having legal standing and experience, nominated by the exporting Members;
 - (ii) two such persons nominated by the importing Members; and
 - (iii) a chairman selected unanimously by the four persons nominated under the provisions of sub-paragraphs (i) and (ii) or, if they fail to agree, by the Chairman of the Council.
- (b) Persons from countries whose Governments are Contracting Parties to this Agreement shall be eligible to serve on the advisory panel.
- (c) Persons appointed to the advisory panel shall act in their personal capacities and without instructions from any Government.
- (d) The expenses of the advisory panel shall be paid by the Organization.
- (4) The opinion of the advisory panel and the reasons therefor shall be submitted to the Council which, after considering all the relevant information, shall decide the dispute.
- (5) The Council shall rule on any dispute brought before it within six months of submission of such dispute for its consideration.
- (6) Any complaint that any Member has failed to fulfil its obligations under this Agreement shall, at the request of the Member making the complaint, be referred to the Council which shall make a decision on the matter.

(7) No Member shall be found to have been in breach of its obligations under this Agreement except by a distributed simple majority vote. Any finding that a Member is in breach of its obligations under this Agreement shall specify the nature of the breach.

(8) If the Council finds that a Member is in breach of its obligations under this Agreement, it may, without prejudice to other enforcement measures provided for in other Articles of this Agreement, by a distributed two-thirds majority vote, suspend such Member's voting rights in the Council and its right to have its votes cast in the Executive Board until it fulfils its obligations, or the Council may decide to exclude such Member from the Organization under the provisions of Article 45.

(9) A Member may seek the prior opinion of the Executive Board in a matter of dispute or complaint before the matter is discussed by the Council.

CHAPTER XIII — FINAL PROVISIONS

ARTICLE 38

Signature

This Agreement shall be open for signature at the United Nations headquarters from 18 April 1994 until and including 26 September 1994 by Contracting Parties to the International Coffee Agreement 1983 or the International Coffee Agreement 1983, as extended,¹ and Governments invited to the sessions of the International Coffee Council at which this Agreement was negotiated.

¹United Nations, *Treaty Series*, vol. 1333, p. 119; vol. 1546, No. A-22376; vol. 1651, No. A-22376; vol. 1691, No. A-22376; and vol. 1737, No. A-22376.

ARTICLE 39

Ratification, acceptance or approval

- (1) This Agreement shall be subject to ratification, acceptance or approval by the signatory Governments in accordance with their respective constitutional procedures.
- (2) Except as provided for in Article 40, instruments of ratification, acceptance or approval shall be deposited with the Secretary-General of the United Nations not later than 26 September 1994. However, the Council may grant extensions of time to signatory Governments which are unable to deposit their instruments by that date.

ARTICLE 40

Entry into force

- (1) This Agreement shall enter into force definitively on 1 October 1994 if by that date Governments representing at least 20 exporting Members holding at least 80 percent of the votes of the exporting Members and at least 10 importing Members holding at least 80 percent of the votes of the importing Members, calculated as at 26 September 1994, have deposited instruments of ratification, acceptance or approval. Alternatively, it shall enter into force definitively at any time after 1 October 1994 if it is provisionally in force in accordance with the provisions of paragraph (2) of this Article and these percentage requirements are satisfied by the deposit of instruments of ratification, acceptance or approval.
- (2) This Agreement may enter into force provisionally on 1 October 1994. For this purpose, a notification by a signatory Government or by any other Contracting Party to the International Coffee Agreement 1983, as extended, containing an undertaking to apply this Agreement provisionally, in accordance with its laws and regulations, and to seek

ratification, acceptance or approval in accordance with its constitutional procedures as rapidly as possible, which is received by the Secretary-General of the United Nations not later than 26 September 1994, shall be regarded as equal in effect to an instrument of ratification, acceptance or approval. A Government which undertakes to apply this Agreement provisionally, in accordance with its laws and regulations, pending the deposit of an instrument of ratification, acceptance or approval shall be regarded as a provisional Party thereto until it deposits its instrument of ratification, acceptance or approval, or until and including 31 December 1994 whichever is the earlier. The Council may grant an extension of the time within which any Government which is applying this Agreement provisionally may deposit its instrument of ratification, acceptance or approval.

(3) If this Agreement has not entered into force definitively or provisionally on 1 October 1994 under the provisions of paragraph (1) or (2) of this Article, those Governments which have deposited instruments of ratification, acceptance, approval or accession or made notifications containing an undertaking to apply this Agreement provisionally, in accordance with their laws and regulations, and to seek ratification, acceptance or approval may, by mutual consent, decide that it shall enter into force among themselves. Similarly, if this Agreement has entered into force provisionally but has not entered into force definitively on 31 December 1994, those Governments which have deposited instruments of ratification, acceptance, approval or accession or made the notifications referred to in paragraph (2) of this Article, may, by mutual consent, decide that it shall continue in force provisionally or enter into force definitively among themselves.

ARTICLE 41

Accession

(1) The Government of any State member of the United Nations or of any of its specialized agencies may accede to this Agreement upon conditions which shall be established by the Council.

(2) Instruments of accession shall be deposited with the Secretary-General of the United Nations. The accession shall take effect upon deposit of the instrument.

ARTICLE 42

Reservations

Reservations may not be made with respect to any of the provisions of this Agreement.

ARTICLE 43

Extension to designated territories

(1) Any Government may, at the time of signature or deposit of an instrument of ratification, acceptance, approval, provisional application or accession, or at any time thereafter, by notification to the Secretary-General of the United Nations, declare that this Agreement shall extend to any of the territories for whose international relations it is responsible; this Agreement shall extend to the territories named therein from the date of such notification.

(2) Any Contracting Party which desires to exercise its rights under the provisions of Article 5 in respect of any of the territories for whose international relations it is responsible or which desires to authorize any such territory to become part of a Member

group formed under the provisions of Article 6, may do so by making a notification to that effect to the Secretary-General of the United Nations, either at the time of the deposit of its instrument of ratification, acceptance, approval, provisional application or accession, or at any later time.

(3) Any Contracting Party which has made a declaration under the provisions of paragraph (1) of this Article may at any time thereafter, by notification to the Secretary-General of the United Nations, declare that this Agreement shall cease to extend to the territory named in the notification. This Agreement shall cease to extend to such territory from the date of such notification.

(4) When a territory to which this Agreement has been extended under the provisions of paragraph (1) of this Article subsequently attains its independence, the Government of the new State may, within 90 days after the attainment of independence, declare by notification to the Secretary-General of the United Nations that it has assumed the rights and obligations of a Contracting Party to this Agreement. It shall, as from the date of such notification, become a Contracting Party to this Agreement. The Council may grant an extension of the time within which such notification may be made.

ARTICLE 44

Voluntary withdrawal

Any Contracting Party may withdraw from this Agreement at any time by giving a written notice of withdrawal to the Secretary-General of the United Nations. Withdrawal shall become effective 90 days after the notice is received.

ARTICLE 45

Exclusion

If the Council decides that any Member is in breach of its obligations under this Agreement and decides further that such breach significantly impairs the operation of this Agreement, it may, by a distributed two-thirds majority vote, exclude such Member from the Organization. The Council shall immediately notify the Secretary-General of the United Nations of any such decision. Ninety days after the date of the Council's decision, such Member shall cease to be a Member of the Organization and, if such Member is a Contracting Party, a Party to this Agreement.

ARTICLE 46

Settlement of accounts with withdrawing or excluded Members

(1) The Council shall determine any settlement of accounts with a withdrawing or excluded Member. The Organization shall retain any amounts already paid by a withdrawing or excluded Member and such Member shall remain bound to pay any amounts due from it to the Organization at the time the withdrawal or the exclusion becomes effective; provided, however, that in the case of a Contracting Party which is unable to accept an amendment and consequently ceases to participate in this Agreement under the provisions of paragraph (2) of Article 48, the Council may determine any settlement of accounts which it finds equitable.

(2) A Member which has ceased to participate in this Agreement shall not be entitled to any share of the proceeds of liquidation or the other assets of the Organization; nor shall it be liable for payment of any part of the deficit, if any, of the Organization upon termination of this Agreement.

ARTICLE 47

Duration and termination

(1) This Agreement shall remain in force for a period of five years until 30 September 1999 unless extended under the provisions of paragraph (2) of this Article or terminated under the provisions of paragraph (3) of this Article.

(2) The Council may, by a vote of 58 percent of the Members having not less than a distributed majority of 70 percent of the total votes, decide either that this Agreement be renegotiated or that it be extended, with or without modification, for such period as the Council shall determine. Any Contracting Party which by the date on which such renegotiated or extended Agreement enters into force has not made a notification of acceptance of such renegotiated or extended Agreement to the Secretary-General of the United Nations, or any territory which is either a Member or a party to a Member group on behalf of which such notification has not been made by that date, shall as of that date cease to participate in such Agreement.

(3) The Council may at any time, by a vote of a majority of the Members having not less than a distributed two-thirds majority of the total votes, decide to terminate this Agreement. Termination shall take effect on such date as the Council shall decide.

(4) Notwithstanding the termination of this Agreement, the Council shall remain in being for as long as necessary to carry out the liquidation of the Organization, settlement of its accounts and disposal of its assets and shall have during that period such powers and functions as may be necessary for those purposes.

ARTICLE 48

Amendment

(1) The Council may, by a distributed two-thirds majority vote, recommend an amendment of this Agreement to the Contracting Parties. The amendment shall become effective 100 days after the Secretary-General of the United Nations has received notifications of acceptance from Contracting Parties representing at least 75 percent of the exporting countries holding at least 85 percent of the votes of the exporting Members, and from Contracting Parties representing at least 75 percent of the importing countries holding at least 80 percent of the votes of the importing Members. The Council shall fix a time within which Contracting Parties shall notify the Secretary-General of the United Nations of their acceptance of the amendment. If, on expiry of such time limit, the percentage requirements for the entry into effect of the amendment have not been met, the amendment shall be considered withdrawn.

(2) Any Contracting Party which has not notified acceptance of an amendment within the period fixed by the Council, or any territory which is either a Member or a party to a Member group on behalf of which such notification has not been made by that date, shall cease to participate in this Agreement from the date on which such amendment becomes effective.

ARTICLE 49

Supplementary and transitional provisions

(1) This Agreement shall be considered as a continuation of the International Coffee Agreement 1983, as extended.

(2) In order to facilitate the uninterrupted continuation of the International Coffee Agreement 1983, as extended:

- (a) all acts by or on behalf of the Organization or any of its organs under the International Coffee Agreement 1983, as extended, in effect on 30 September 1994, the terms of which do not provide for expiry on that date, shall remain in effect unless changed under the provisions of this Agreement; and
- (b) all decisions required to be taken by the Council during coffee year 1993/94 for application in coffee year 1994/95 shall be taken by the Council in coffee year 1993/94 and applied on a provisional basis as if this Agreement had already entered into force.

ARTICLE 50

Authentic texts of the Agreement

The texts of this Agreement in the English, French, Portuguese and Spanish languages shall all be equally authentic. The originals shall be deposited with the Secretary-General of the United Nations.

IN WITNESS WHEREOF the undersigned, having been duly authorized to this effect by their respective Governments, have signed this Agreement on the dates appearing opposite their signatures.
