Considering that under the provisions of the Letter Credit Agreement dated June 18, 1946, addressed to the Minister of Finance, Oslo, Norway, from Horace C. Have agreed as follows:

Article 1

There shall be established a foundation to be known as the United States Educational Foundation in Norway (hereinafter designated "the Foundation"), which shall be recognized by the Government of the United States of America and the Royal Norwegian Government as an organization created and established to facilitate the administration of the educational program to be financed by funds made available by the Royal Norwegian Government under the terms of the present agreement. Except as provided in Article 3 hereof the Foundation shall be exempt from the domestic and local laws of the United States of America and Norway as they relate to the use and expenditures of currencies, and credits for currencies, for the purposes set forth in the present agreement.

The funds made available under the present agreement by the Royal Norwegian Government, within the conditions and limitation hereinafter set forth, shall be used by the Foundation or such other instrumentality as may be agreed upon by the Government of the United States of America and the Royal Norwegian Government for the purpose, as set forth in Section 32 (b) of the United States Surplus Property Act of 1944, as amended, of

- (1) financing studies, research, instruction, and other educational activities of or for citizens of the United States of America in schools and institutions of higher learning located in Norway or of nationals of Norway in United States schools and institutions of higher learning located outside the continental United States, Hawaii, Alaska (including the Aleutian Islands), Puerto Rico, and the Virgin Islands, including payment for transportation, tuition, maintenance, and other expenses incident to scholastic activities; or
- (2) furnishing transportation for nationals of Norway who desire to attend United States schools and institutions of higher learning in the continental United States, Hawaii, Alaska (including the Aleutian Islands), Puerto Rico, and the Virgin Islands and whose attendance will not deprive citizens of the United States of America of an opportunity to attend such schools and institutions.

Article 2

- (1) Receive funds.
- (2) Open and operate bank accounts in the name of the Foundation in a depository or depositories to be designated by the Secretary of State of the United States of America.
- (3) Disburse funds and make grants and advances of funds for the authorized purposes of the Foundation.

- (7) Recommend to the aforesaid Board of Foreign Scholarships such qualifications for the selection of participants in the programs as it may deem necessary for achieving the purpose and objectives of the Foundation.
- (8) Provide for periodic audits of the accounts of the Foundation as directed by the auditors selected by the Secretary of State of the United States of America.
- (9) Engage administrative and clerical staff and fix and pay the salaries and wages thereof.

Article 3

All expenditures by the Foundation shall be made pursuant to an annual budget to be approved by the Secretary of State of the United States of America pursuant to such regulations as he may prescribe.

Article 4

The Foundation shall not enter into any commitment or create any obligation which shall bind the Foundation in excess of the funds actually on hand nor acquire, hold, or dispose of property except for the purposes authorized in the present agreement.

Article 5

The management and direction of the affairs of the Foundation shall be vested in the Board of Directors consisting of eight Directors (hereinafter designated the "Board"), four of whom shall be citizens of the United States of America and four of whom shall be nationals of Norway. In addition, the principal officer in charge of the Diplomatic Mission of the United States of America to Norway (hereinafter designated "Chief of Mission") shall be Honorary Chairman of the Board. He shall cast the deciding vote in the event of a tie vote by the Board and shall appoint the Chairman of the Board. The Chairman as a regular member of the Board shall have the right to vote. The citizens of the United States of America on the Board, at least two of whom shall be officers of United States Foreign Service establishment in Norway, shall be appointed and removed by the Chief of Mission; the nationals of Norway on the Board shall be appointed and removed by the Norwegian Minister of Church and Education.

The Directors shall serve from the time of their appointment until the following December 31 and shall be eligible for reappointment. Vacancies by reason of resignation, transfer of residence outside Norway, expiration of service or otherwise, shall be filled in accordance with the appointment procedure set forth in this article.

The Directors shall serve without compensation but the Foundation is authorized to pay the necessary expenses of the Directors in attending the meetings of the Board.

Article 9

The Board may appoint an Executive Officer and determine his salary and term of service, provided, however, that in the event it is found to be impracticable for the Board to secure an appointee acceptable to the Chairman, the Government of the United States may provide an Executive Officer and such assistants as may be deemed necessary to ensure the effective operation of the program. The Executive Officer shall be responsible for the direction and supervision of the Board's programs and activities in accordance with the Board's resolutions and directives. In his absence or disability, the Board may appoint a substitute for such time as it deems necessary or desirable.

Article 10

The decisions of the Board in all matters may, in the discretion of the Secretary of State of the United States of America, be subject to his review.

Article 11

The Royal Norwegian Government shall, subsequently to 30 days of the date of the signature of the present agreement, deposit such amounts of currency of the Royal Norwegian Government as may be requested by the Government of the United States of America until an aggregate amount of the currency of the Royal Norwegian Government equivalent to \$1,250,000 (United States currency) shall have been so deposited, provided however, that in no event shall a total amount of the currency of the Royal Norwegian Government in excess of the equivalent of \$250,000 (United States currency) be deposited during any single calendar year.

The rate of exchange between currency of the Royal Norwegian Government and United States currency to be used in determining the amount of currency of the Royal Norwegian Government to be deposited from time to time hereunder, shall be determined in accordance with sub-paragraph (4) (b) of the Letter Credit Agreement.

The Royal Norwegian Government shall guarantee the United States of America against loss resulting from any alteration in the above rate of exchange or from any currency conversion with respect to any currency of the Royal Norwegian Government received hereunder and held by the Treasurer of the United States of America or by the Foundation by undertaking to pay to the Government of the United States of America such amounts of currency of the Royal Norwegian Government as are necessary to maintain the dollar value of such currency of the Royal Norwegian Government as is held by the Treasurer of the United States of America or the Foundation. The purpose of this provision is to assure that the operations of the Foundation will not be interrupted or restricted by any deficits resulting from alterations in the above rate of exchange, or from currency conversions.

The Secretary of State of the United States of America will make available for expenditure by the Foundation currency of the Royal Norwegian Government in such amounts as may be required by the Foundation but in no event in excess of the budgetary limitation established pursuant to Article 3 of the present agreement.

Article 12
