RATIFICATION

Instrument deposited on:

HUNGARY

(To take effect on 24 October 1965.)

The note transmitting the instrument of ratification of the Government of Hungary contains the following statement :

“The Hungarian People’s Republic considers it necessary to draw attention to the discriminatory nature of articles 48 and 50 of the Convention, under the terms of which a number of States were precluded from signing and are precluded from acceding to the Convention. The Convention deals with matters which affect the interests of all States and therefore, in accordance with the principle of sovereign equality of States, no State should be barred from participation in a Convention of this nature.”
