NOTE BY THE SECRETARIAT

Under Article 102 of the Charter of the United Nations every treaty and every international agreement entered into by any Member of the United Nations after the coming into force of the Charter shall, as soon as possible, be registered with the Secretariat and published by it. Furthermore, no party to a treaty or international agreement subject to registration which has not been registered may invoke that treaty or agreement before any organ of the United Nations. The General Assembly by resolution 97 (I) established regulations to give effect to Article 102 of the Charter (see text of the regulations, Vol. 76, p. XVIII).

The terms "treaty" and "international agreement" have not been defined either in the Charter or in the regulations, and the Secretariat follows the principle that it acts in accordance with the position of the Member State submitting an instrument for registration that so far as that party is concerned the instrument is a treaty or an international agreement within the meaning of Article 102. Registration of an instrument submitted by a Member State, therefore, does not imply a judgement by the Secretariat on the nature of the instrument, the status of a party, or any similar question. It is the understanding of the Secretariat that its action does not confer on the instrument the status of a treaty or an international agreement if it does not already have that status and does not confer on a party a status which it would not otherwise have.

* * *

Unless otherwise indicated, the translations of the original texts of treaties, etc., published in this *Series* have been made by the Secretariat of the United Nations.

NOTE DU SECRÉTARIAT

Aux termes de l'Article 102 de la Charte des Nations Unies, tout traité ou accord international conclu par un Membre des Nations Unies après l'entrée en vigueur de la Charte sera, le plus tôt possible, enregistré au Secrétariat et publié par lui. De plus, aucune partie à un traité ou accord international qui aurait dû être enregistré mais ne l'a pas été ne pourra invoquer ledit traité ou accord devant un organe des Nations Unies. Par sa résolution 97 (I), l'Assemblée générale a adopté un règlement destiné à mettre en application l'Article 102 de la Charte (voir texte du règlement, vol. 76, p. XIX).

Le terme « traité » et l'expression « accord international » n'ont été définis ni dans la Charte ni dans le règlement et le Secrétariat a pris comme principe de s'en tenir à la position adoptée à cet égard par l'État Membre qui a présenté l'instrument à l'enregistrement, à savoir que pour autant qu'il s'agit de cet État comme partie contractante l'instrument constitue un traité ou un accord international au sens de l'Article 102. Il s'ensuit que l'enregistrement d'un instrument présenté par un État Membre n'implique, de la part du Secrétariat, aucun jugement sur la nature de l'instrument, le statut d'une partie ou toute autre question similaire. Le Secrétariat considère donc que les actes qu'il pourrait être amené à accomplir ne confèrent pas à un instrument la qualité de « traité » ou d'« accord international » si cet instrument n'a pas déjà cette qualité, et qu'ils ne confèrent pas à une partie un statut que, par ailleurs, elle ne posséderait pas.

* * *

Sauf indication contraire, les traductions des textes originaux des traités, etc., publiés dans ce *Recueil* ont été établies par le Secrétariat de l'Organisation des Nations Unies.

THIRD CERTIFICATION ^{1/}
OF THE CONTRACTING PARTIES,
OF 5 MAY 1967, RELATING TO
RECTIFICATIONS AND MODIFICATIONS OF SCHEDULES
TO THE GENERAL AGREEMENT ON TARIFFS AND TRADE

Considering that there have been long delays in the ratification of protocols of rectifications and modifications under the procedures of Article XXX and that the new paragraph 3 which would be added to Article XXX by section D of the Protocol Amending Part I and Articles XXIX and XXX of the General Agreement, dated 10 March 1955 (hereinafter referred to as "paragraph 3 of Article XXX") has not yet entered into force; and

Considering that at their fifteenth session the CONTRACTING PARTIES approved a proposal for the discontinuance of the practice of drawing up protocols of rectifications and modifications, and, pending the entry into force of the amended Article XXX, for the incorporation of rectifications and modifications, which had previously been included in such protocols and which come within the terms of paragraph 3 of Article XXX, in documents which would constitute a certification pursuant to that paragraph upon its entry into force:

The CONTRACTING PARTIES:

1. Certify that the amendments to the Schedules to the General Agreement and to the Schedules to the Declaration on the Provisional Accession of the Swiss Confederation, which are annexed to this Certification, record rectifications of a purely formal character or modifications resulting from action taken under paragraph 6 of Article II (Article III after the amendment contained in Section C of the above Protocol of 10 March 1955 has become operative), Article XVIII, Article XXIV, Article XXVII, or Article XXVIII; and that the procedures set forth in the proviso to paragraph 3 of Article XXX have been complied with in respect of such amendments.

2. Agree that in each case in which Article II of the General Agreement refers to the date of that Agreement, the applicable date in respect of any concession contained in Schedule XIII - New Zealand, Schedule XXVIII - Japan, Schedule XLII - Israel, Schedule LIV - Rhodesia and Schedule LVI - Rwanda, shall be the date of the instrument by which the concession was first incorporated in the Schedules to the General Agreement or in the Schedules to the Declaration on the Provisional Accession of the Swiss Confederation.

^{1/} See footnote 1 on the following page.

TROISIÈME DÉCLARATION ^{1/}
DES PARTIES CONTRACTANTES
EN DATE DU 5 MAI 1967 CONCERNANT
LA RECTIFICATION ET LA MODIFICATION DES LISTES ANNEXÉES
A L'ACCORD GÉNÉRAL SUR LES TARIFS DOUANIERS ET LE COMMERCE

Considérant que la ratification des protocoles de rectification et de modification selon la procédure prévue à l'article XXX entraîne de longs délais et que le nouveau paragraphe 3 qui sera ajouté à l'article XXX par la section D du Protocole portant amendement de la partie I et des articles XXXI et XXX de l'Accord général, en date du 10 mars 1955 (ci-après dénommé "le paragraphe 3 de l'article XXX"), n'est pas encore entré en vigueur, et

Considérant qu'à leur quinzième session, les PARTIES CONTRACTANTES ont approuvé une proposition tendant à renoncer à la pratique qui consiste à établir des protocoles de rectification et de modification et, en attendant l'entrée en vigueur de l'article XXX modifié, à incorporer dans des documents qui constitueraient la déclaration prévue au paragraphe 3 de l'article XXX, lors de l'entrée en vigueur de cette disposition, les rectifications et modifications qui faisaient l'objet jusque-là desdits protocoles et qui relèvent de ce paragraphe,

Les PARTIES CONTRACTANTES:

1. Certifient que les amendements aux Listes annexées à l'Accord général et aux Listes annexées à la Déclaration concernant l'accession provisoire de la Confédération suisse qui sont joints à la présente Déclaration comportent des rectifications de pure forme ou des modifications résultant de mesures prises en vertu du paragraphe 6 de l'article II (qui deviendra l'article III après l'entrée en vigueur de l'amendement contenu dans la section C du Protocole du 10 mars 1955 ci-dessus mentionné), de l'article XVIII, de l'article XXIV, de l'article XXVII ou de l'article XXVIII; et qu'il a été satisfait aux procédures prévues au paragraphe 3 de l'article XXX en ce qui concerne lesdits amendements.

2. Conviennent que, dans chaque cas où l'article II de l'Accord général mentionne la date dudit Accord, la date applicable en ce qui concerne toute concession reprise dans la Liste XIII - Nouvelle-Zélande, la Liste XXXVIII - Japon, la Liste XLII - Israël, la Liste LIV - Rhodésie et la Liste LVI - Rwanda, sera celle de l'instrument par lequel la concession a été pour la première fois incluse dans les Listes annexées à l'Accord général ou dans les Listes annexées à la Déclaration concernant l'accession provisoire de la Confédération suisse.

^{1/} Voir note 1 à la page suivante.

3. Decide that on the date of the entry into force of paragraph 3 of Article XXX this decision shall constitute a certification by the CONTRACTING PARTIES on that date pursuant to paragraph 3 of Article XXX.

4. The Director-General to the CONTRACTING PARTIES shall promptly furnish a certified copy of this decision to each contracting party to the General Agreement, and to each government which has provisionally acceded to that Agreement or has signed a declaration on relations between it and contracting parties to the General Agreement. He shall also notify them promptly of the date upon which this decision becomes a certification pursuant to paragraph 3 of Article XXX.

1/ This is a continuation of volumes 690 and 761 of the United Nations Treaty Series.

Vol. 690 contains the text of the First Certification of changes to Schedules to the General Agreement on Tariffs and Trade, dated at Geneva on 12 July 1969, which was registered on 15 September 1969.

The said First Certification of 12 July 1969 incorporates by reference the changes set out in the Third Certification of 5 May 1967, as rectified by Procès-Verbal dated on 14 June 1967, published herein, as well as the changes set out in the Certification of 15 January 1963 and the Second Certification of 29 April 1964, as rectified by Procès-Verbal dated on 18 March 1965, which have been published in Volume 761.

All changes set out in the latter three Certifications came into force on 12 July 1969 together with the other changes recorded in the First Certification of 12 July 1969, as provided for by paragraph (i) of the latter.

The text of the Decision on Procedures for Modification and Rectification of Schedules, adopted by the Contracting Parties on 19 November 1968, will be found in Vol. 690, following the text of the First Certification.

3. Décident qu'à la date d'entrée en vigueur du paragraphe 3 de l'article ~~XXX~~, la présente Décision constituera une déclaration des PARTIES CONTRACTANTES adoptée à cette date conformément au paragraphe 3 de l'article ~~XXX~~.

4. Le Directeur général des PARTIES CONTRACTANTES transmettra dans le plus bref délai possible une copie certifiée conforme de la présente Décision à chacune des parties contractantes à l'Accord général, ainsi qu'à chacun des gouvernements qui ont accédé audit Accord à titre provisoire ou qui ont signé une déclaration concernant leurs relations avec les parties contractantes à l'Accord général. Il leur fera également connaître dans le plus bref délai possible la date à laquelle la présente Décision deviendra une déclaration adoptée conformément au paragraphe 3 de l'article ~~XXX~~.

1/ Ceci fait suite aux volumes 690 et 761 du Recueil des Traités des Nations Unies.

Le volume 690 contient le texte de la Première certification de changements apportés aux listes annexées à l'Accord général sur les tarifs douaniers et le commerce, datée à Genève du 12 juillet 1969, laquelle a été enregistrée le 15 septembre 1969.

Ladite Première Certification du 12 juillet 1969 incorpore par référence les changements énoncés dans la Troisième déclaration du 5 mai 1967 (telle que rectifiée par Procès-verbal en date du 14 juin 1967), reproduite dans le présent volume, ainsi que les changements énoncés dans la Déclaration du 15 janvier 1963 et la Deuxième déclaration du 29 avril 1964 (telle que rectifiée par Procès-verbal en date du 13 mars 1965), qui sont publiées dans le volume 761.

Tous les changements énoncés dans les trois Déclarations en question sont entrés en vigueur le 12 juillet 1969 en même temps que les autres changements consignés dans la Première certification du 12 juillet 1969, comme prévu par le paragraphe (i) de cette dernière.

On trouvera dans le volume 690, à la suite du texte de la Première certification, le texte de la décision adoptée le 19 novembre 1968 par les Parties contractantes concernant les procédures de modification et de rectification des listes.
