cialized agencies and the international institutions associated with the United Nations”,

*Recalling* the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in its resolution 1514 (XV) of 14 December 1960, and the programme of action for the full implementation of the Declaration, contained in its resolution 2621 (XXV) of 12 October 1970, as well as all other relevant resolutions adopted by the General Assembly and the Security Council on this subject, including in particular Assembly resolution 32/36 of 28 November 1977,

*Having examined* the reports submitted on the item by the Secretary-General,<sup>62</sup> the Economic and Social Council<sup>63</sup> and the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,<sup>64</sup> as well as the related report of the United Nations Council for Namibia,<sup>65</sup>

*Having heard* the statements of the representatives of the Food and Agriculture Organization of the United Nations<sup>66</sup> and the United Nations Educational, Scientific and Cultural Organization,<sup>67</sup>

*Taking into account* the relevant provisions of the Declaration and the Programme of Action adopted by the World Conference to Combat Racism and Racial Discrimination,<sup>68</sup>

*Aware* that the struggle of the peoples of Zimbabwe and Namibia for self-determination and independence is in its final and most crucial stage and that it is therefore incumbent upon the entire international community to intensify concerted action in support of the peoples of Zimbabwe and Namibia and their national liberation movements for the attainment of this goal,

*Deeply conscious* of the critical need of the peoples of Zimbabwe and Namibia and of other colonial Territories for concrete assistance from the specialized agencies and the international institutions associated with the United Nations in their struggle for liberation from colonial rule and in their efforts to achieve and consolidate their national independence,

*Reaffirming* the responsibility of the specialized agencies and other organizations within the United Nations system to take all the necessary measures, within their respective spheres of competence, to ensure the full and speedy implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and other relevant resolutions of the United Nations, particularly those relating to the provision of moral and material assistance, on a priority basis, to the peoples of the colonial Territories and their national liberation movements,

the colonial Territories in Africa, the actions taken hitherto by the organizations concerned in providing assistance to the peoples of the Territories through their national liberation movements continue to remain inadequate to meet the urgent needs of these peoples,

*Expressing its confident hope* that closer contacts and consultations between the specialized agencies and other organizations within the United Nations system and the Organization of African Unity and the national liberation movements of the colonial Territories will help to overcome procedural and other difficulties which have impeded or delayed the implementation of some assistance programmes,

*Expressing its appreciation* to the General Secretariat of the Organization of African Unity for the continued co-operation and assistance extended by it to the organizations within the United Nations system in connexion with the implementation of the relevant resolutions of the United Nations,

*Noting with satisfaction* the intensified efforts of the United Nations Development Programme in the extension of assistance to the national liberation movements concerned,

*Noting also* the support given by the organizations within the United Nations system to the formation of the Nationhood Programme for Namibia called for in General Assembly resolution 32/9 A of 4 November 1977,

*Mindful* of the necessity to keep under continuous review the activities of the specialized agencies and other organizations within the United Nations system in the implementation of the various decisions relating to decolonization,

1. *Approves* the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the item;<sup>64</sup>

2. *Reaffirms* that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the struggle of colonial peoples to achieve freedom and independence entails, as a corollary, the extension by the organizations within the United Nations system of all the necessary moral and material assistance to the peoples of the colonial Territories and their national liberation movements;

3. *Expresses its appreciation* to certain specialized agencies and organizations within the United Nations system which have continued to co-operate in varying degrees with the United Nations in the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and other relevant resolutions of the General Assembly;

4. *Expresses its concern* that the assistance extended so far by the specialized agencies and other organizations within the United Nations system to the colonial peoples, particularly those of Zimbabwe and Namibia, and to their national liberation movements is far from adequate in relation to the actual needs of the peoples concerned;

5. *Regrets* that the World Bank and the International Monetary Fund have not yet taken the necessary

measures towards the full and speedy implementation of the Declaration and other relevant resolutions of the General Assembly, deploras in particular the fact that those agencies continue to maintain co-operation with the colonialist racist minority régime of South Africa and urges the executive heads of those agencies to draw the particular attention of their governing organs to the present resolution with a view to formulating specific programmes beneficial to the peoples of the colonial Territories, particularly Zimbabwe and Namibia;

6. *Requests* the specialized agencies and other organizations within the United Nations system to render or continue to render, as a matter of urgency, all possible moral and material assistance to the colonial peoples in Africa struggling for their liberation from colonial rule;

7. *Requests once again* the specialized agencies and other organizations within the United Nations system to continue to provide all moral and material assistance to the newly independent and emerging States;

8. *Recommends* that the organizations concerned should initiate or broaden contacts with the colonial peoples in consultation with the Organization of African Unity, review their procedures with respect to the formulation and preparation of assistance programmes and projects and introduce greater flexibility in those procedures so as to be able to extend the necessary assistance without delay to help the colonial peoples and their national liberation movements in their struggle to exercise their inalienable right to self-determination and independence in accordance with General Assembly resolution 1514 (XV);

9. *Urges* those specialized agencies and organizations within the United Nations system which have not already done so to include in the agenda of the regular meetings of their governing bodies a separate item on the progress made by those organizations in the implementation of the Declaration and other relevant resolutions of the United Nations;

10. *Urges once again* the specialized agencies and other organizations within the United Nations system, in accordance with the relevant resolutions of the General Assembly and the Security Council, to take all necessary measures to withhold any financial, economic, technical or other assistance from the Government of South Africa and the illegal régime in Southern Rhodesia, to discontinue all support to them until they restore to the peoples of Namibia and Zimbabwe their inalienable right to self-determination and independence and to refrain from taking any action which might imply recognition of, or support for, the legitimacy of the domination of the Territories by those régimes;

11. *Notes with satisfaction* the arrangements made by several specialized agencies and organizations within the United Nations system which enable representatives of the national liberation movements recognized by the Organization of African Unity to participate fully as observers in the proceedings relating to matters concerning their respective countries, and calls upon those agencies and organizations which have not yet done so to follow this example and to make the necessary arrangements without delay;

12. *Recommends* that all Governments should intensify their efforts in the specialized agencies and other organizations within the United Nations system of which they are members to ensure the full and effective implementation of the Declaration and other relevant resolutions of the United Nations and, in that connexion, should accord priority to the question of providing assistance on an emergency basis to peoples in the colonial Territories and to their national liberation movements;

13. *Urges* the executive heads of the specialized agencies and other organizations within the United Nations system, having regard to the recommendations contained in paragraph 8 above, to formulate with the active co-operation of the Organization of African Unity and to submit, as a matter of priority, to their governing and legislative organs concrete proposals for the full implementation of the relevant United Nations decisions, in particular specific programmes of assistance to the peoples in the colonial Territories and their national liberation movements;

14. *Requests* the Secretary-General to continue to assist the specialized agencies and other organizations within the United Nations system in working out appropriate measures for implementing the present resolution and to prepare for submission to the relevant bodies, with the assistance of those agencies and other organizations, a report on the action taken since the circulation of his previous report in implementation of the relevant resolutions of the United Nations, including the present resolution;

15. *Requests* the Economic and Social Council to continue to consider, in consultation with the Special Committee, appropriate measures for co-ordination of the policies and activities of the specialized agencies and other organizations within the United Nations system in implementing the relevant resolutions of the General Assembly;

16. *Requests* the Special Committee to continue to examine this question and to report to the General Assembly at its thirty-fourth session.
