INTERNATIONAL CONVENTION ON MARITIME LIENS AND MORTGAGES, 1993

The States Parties to this Convention,

Conscious of the need to improve conditions for ship financing and the development of national merchant fleets,

Recognizing the desirability of international uniformity in the field of maritime liens and mortgages, and therefore

Convinced of the necessity for an international legal instrument governing maritime liens and mortgages,

Have decided to conclude a Convention for this purpose and have therefore agreed as follows:

Article 1

Recognition and enforcement of mortgages, "hypothèques" and charges

Mortgages, "hypothèques" and registrable charges of the same nature, which registrable charges of the same nature will be referred to hereinafter as "charges", effected on seagoing vessels shall be recognized and enforceable in States Parties provided that:

- (a) such mortgages, "hypothèques" and charges have been effected and registered in accordance with the law of the State in which the vessel is registered;
- (b) the register and any instruments required to be deposited with the registrar in accordance with the law of the State in which the vessel is registered are open to public inspection, and that extracts from the register and copies of such instruments are obtainable from the registrar; and
- (c) either the register or any instruments referred to in subparagraph (b) specifies at least the name and address of the person in whose favour the mortgage, "hypothèque" or charge has been effected or that it has been issued to bearer, the maximum amount secured, if that is a requirement of the law of the State of registration or if that amount is specified in the instrument creating the mortgage, "hypothèque" or charge, and the date and other particulars which, according to the law of the State of registration, determine the ranking in relation to other registered mortgages, "hypothèques" and charges.

Article 2

Ranking and effects of mortgages, "hypothèques" and charges

The ranking of registered mortgages, "hypothèques" or charges as between themselves and, without prejudice to the provisions of this Convention, their effect in regard to third parties shall be determined by the law of the State of registration; however, without prejudice to the provisions of this Convention, all matters relating to the procedure of enforcement shall be regulated by the law of the State where enforcement takes place.

Article 3

Change of ownership or registration

1. With the exception of the cases provided for in articles 11 and 12, in all other cases that entail the deregistration of the vessel from the register of a State Party, such State Party shall not permit the owner to deregister the vessel unless all registered mortgages, "hypothèques" or charges are previously deleted or the written consent of all holders of such mortgages, "hypothèques" or charges is obtained. However, where the deregistration of the vessel is obligatory in accordance with the law of a State Party, otherwise than as a result of a voluntary sale, the holders of registered mortgages, "hypothèques" or charges shall be notified of the pending deregistration in order to enable such holders to take appropriate action to protect their interests; unless the holders consent, the deregistration shall not be implemented earlier than after a lapse of a reasonable period of time which shall be not less than three months after the relevant notification to such holders.

2. Without prejudice to article 12, paragraph 5, a vessel which is or has been registered in a State Party shall not be eligible for registration in another State Party unless either:

- (a) a certificate has been issued by the former State to the effect that the vessel has been deregistered; or
- (b) a certificate has been issued by the former State to the effect that the vessel will be deregistered with immediate effect, at such time as the new registration is effected. The date of deregistration shall be the date of the new registration of the vessel.

Article 4

Maritime liens

1. Each of the following claims against the owner, demise charterer, manager or operator of the vessel shall be secured by a maritime lien on the vessel:

- (a) claims for wages and other sums due to the master, officers and other members of the vessel's complement in respect of their employment on the vessel, including costs of repatriation and social insurance contributions payable on their behalf;

- (b) claims in respect of loss of life or personal injury occurring, whether on land or on water, in direct connection with the operation of the vessel;
 - (c) claims for reward for the salvage of the vessel;
 - (d) claims for port, canal, and other waterway dues and pilotage dues;
 - (e) claims based on tort arising out of physical loss or damage caused by the operation of the vessel other than loss of or damage to cargo, containers and passengers' effects carried on the vessel.
2. No maritime lien shall attach to a vessel to secure claims as set out in subparagraphs (b) and (e) of paragraph 1 which arise out of or result from:
- (a) damage in connection with the carriage of oil or other hazardous or noxious substances by sea for which compensation is payable to the claimants pursuant to international conventions or national law providing for strict liability and compulsory insurance or other means of securing the claims; or
 - (b) the radioactive properties or a combination of radioactive properties with toxic, explosive or other hazardous properties of nuclear fuel or of radioactive products or waste.

Article 5

Priority of maritime liens

1. The maritime liens set out in article 4 shall take priority over registered mortgages, "hypothèques" and charges, and no other claim shall take priority over such maritime liens or over such mortgages, "hypothèques" or charges which comply with the requirements of article 1, except as provided in paragraphs 3 and 4 of article 12.
2. The maritime liens set out in article 4 shall rank in the order listed, provided however that maritime liens securing claims for reward for the salvage of the vessel shall take priority over all other maritime liens which have attached to the vessel prior to the time when the operations giving rise to the said liens were performed.
3. The maritime liens set out in each of subparagraphs (a), (b), (d) and (e) of paragraph 1 of article 4 shall rank pari passu as between themselves.
4. The maritime liens securing claims for reward for the salvage of the vessel shall rank in the inverse order of the time when the claims secured thereby accrued. Such claims shall be deemed to have accrued on the date on which each salvage operation was terminated.

Article 6

Other maritime liens

Each State Party may, under its law, grant other maritime liens on a vessel to secure claims, other than those referred to in article 4, against the owner, demise charterer, manager or operator of the vessel, provided that such liens:

- (a) shall be subject to the provisions of articles 8, 10 and 12;
- (b) shall be extinguished
 - (i) after a period of 6 months, from the time when the claims secured thereby arose unless, prior to the expiry of such period, the vessel has been arrested or seized, such arrest or seizure leading to a forced sale; or
 - (ii) at the end of a period of 60 days following a sale to a bona fide purchaser of the vessel, such period to commence on the date on which the sale is registered in accordance with the law of the State in which the vessel is registered following the sale;

whichever period expires first; and

- (c) shall rank after the maritime liens set out in article 4 and also after registered mortgages, "hypothèques" or charges which comply with the provisions of article 1.

Article 7

Rights of retention

1. Each State Party may grant under its law a right of retention in respect of a vessel in the possession of either:

- (a) a shipbuilder, to secure claims for the building of the vessel; or
- (b) a shiprepairer, to secure claims for repair, including reconstruction of the vessel, effected during such possession.

2. Such right of retention shall be extinguished when the vessel ceases to be in the possession of the shipbuilder or shiprepairer, otherwise than in consequence of an arrest or seizure.

Article 8

Characteristics of maritime liens

Subject to the provisions of article 12, the maritime liens follow the vessel, notwithstanding any change of ownership or of registration or of flag.

Article 9

Extinction of maritime liens by lapse of time

1. The maritime liens set out in article 4 shall be extinguished after a period of one year unless, prior to the expiry of such period, the vessel has been arrested or seized, such arrest or seizure leading to a forced sale.
2. The one-year period referred to in paragraph 1 shall commence:
 - (a) with respect to the maritime lien set out in article 4, paragraph 1(a), upon the claimant's discharge from the vessel;
 - (b) with respect to the maritime liens set out in article 4, paragraph 1 (b) to (e), when the claims secured thereby arise;

and shall not be subject to suspension or interruption, provided, however, that time shall not run during the period that the arrest or seizure of the vessel is not permitted by law.

Article 10

Assignment and subrogation

1. The assignment of or subrogation to a claim secured by a maritime lien entails the simultaneous assignment of or subrogation to such a maritime lien.
2. Claimants holding maritime liens may not be subrogated to the compensation payable to the owner of the vessel under an insurance contract.

Article 11

Notice of forced sale

1. Prior to the forced sale of a vessel in a State Party, the competent authority in such State Party shall ensure that notice in accordance with this article is provided to:
 - (a) the authority in charge of the register in the State of registration;
 - (b) all holders of registered mortgages, "hypothèques" or charges which have not been issued to bearer;
 - (c) all holders of registered mortgages, "hypothèques" or charges issued to bearer and all holders of the maritime liens set out in article 4, provided that the competent authority conducting the forced sale receives notice of their respective claims; and
 - (d) the registered owner of the vessel.

2. Such notice shall be provided at least 30 days prior to the forced sale and shall contain either:

- (a) the time and place of the forced sale and such particulars concerning the forced sale or the proceedings leading to the forced sale as the authority in a State Party conducting the proceedings shall determine is sufficient to protect the interests of persons entitled to notice; or,
- (b) if the time and place of the forced sale cannot be determined with certainty, the approximate time and anticipated place of the forced sale and such particulars concerning the forced sale as the authority in a State Party conducting the proceedings shall determine is sufficient to protect the interests of persons entitled to notice.

If notice is provided in accordance with subparagraph (b), additional notice of the actual time and place of the forced sale shall be provided when known but, in any event, not less than seven days prior to the forced sale.

3. The notice specified in paragraph 2 of this article shall be in writing and either given by registered mail, or given by any electronic or other appropriate means which provide confirmation of receipt, to the persons interested as specified in paragraph 1, if known. In addition, the notice shall be given by press announcement in the State where the forced sale is conducted and, if deemed appropriate by the authority conducting the forced sale, in other publications.

Article 12

Effects of forced sale

1. In the event of the forced sale of the vessel in a State Party, all registered mortgages, "hypothèques" or charges, except those assumed by the purchaser with the consent of the holders, and all liens and other encumbrances of whatsoever nature, shall cease to attach to the vessel, provided that:

- (a) at the time of the sale, the vessel is in the area of the jurisdiction of such State; and
- (b) the sale has been effected in accordance with the law of the said State and the provisions of article 11 and this article.

2. The costs and expenses arising out of the arrest or seizure and subsequent sale of the vessel shall be paid first out of the proceeds of sale. Such costs and expenses include, inter alia, the costs for the upkeep of the vessel and the crew as well as wages, other sums and costs referred to in article 4, paragraph 1 (a), incurred from the time of arrest or seizure. The balance of the proceeds shall be distributed in accordance with the provisions of this Convention, to the extent necessary to satisfy the respective claims. Upon satisfaction of all claimants, the residue of the proceeds, if any, shall be paid to the owner and it shall be freely transferable.

3. A State Party may provide in its law that, in the event of the forced sale of a stranded or sunken vessel following its removal by a public authority in the interest of safe navigation or the protection of the marine environment, the costs of such removal shall be paid out of the proceeds of the sale, before all other claims secured by a maritime lien on the vessel.

4. If at the time of the forced sale the vessel is in the possession of a shipbuilder or of a shiprepairer who under the law of the State Party in which the sale takes place enjoys a right of retention, such shipbuilder or shiprepairer must surrender possession of the vessel to the purchaser but is entitled to obtain satisfaction of his claim out of the proceeds of sale after the satisfaction of the claims of holders of maritime liens mentioned in article 4.

5. When a vessel registered in a State Party has been the object of a forced sale in any State Party, the competent authority shall, at the request of the purchaser, issue a certificate to the effect that the vessel is sold free of all registered mortgages, "hypothèques" or charges, except those assumed by the purchaser, and of all liens and other encumbrances, provided that the requirements set out in paragraph 1 (a) and (b) have been complied with. Upon production of such certificate, the registrar shall be bound to delete all registered mortgages, "hypothèques" or charges except those assumed by the purchaser, and to register the vessel in the name of the purchaser or to issue a certificate of deregistration for the purpose of new registration, as the case may be.

6. States Parties shall ensure that any proceeds of a forced sale are actually available and freely transferable.

Article 13

Scope of application

1. Unless otherwise provided in this Convention, its provisions shall apply to all seagoing vessels registered in a State Party or in a State which is not a State Party, provided that the latter's vessels are subject to the jurisdiction of the State Party.

2. Nothing in this Convention shall create any rights in, or enable any rights to be enforced against, any vessel owned or operated by a State and used only on Government non-commercial service.

Article 14

Communication between States Parties

For the purpose of articles 3, 11 and 12, the competent authorities of the States Parties shall be authorized to correspond directly between themselves.

Article 15

Conflict of conventions

Nothing in this Convention shall affect the application of any international convention providing for limitation of liability or of national legislation giving effect thereto.

Article 16

Temporary change of flag

If a seagoing vessel registered in one State is permitted to fly temporarily the flag of another State, the following shall apply:

- (a) For the purposes of this article, references in this Convention to the "State in which the vessel is registered" or to the "State of registration" shall be deemed to be references to the State in which the vessel was registered immediately prior to the change of flag, and references to "the authority in charge of the register" shall be deemed to be references to the authority in charge of the register in that State.
- (b) The law of the State of registration shall be determinative for the purpose of recognition of registered mortgages, "hypothèques" and charges.
- (c) The State of registration shall require a cross-reference entry in its register specifying the State whose flag the vessel is permitted to fly temporarily; likewise, the State whose flag the vessel is permitted to fly temporarily shall require that the authority in charge of the vessel's record specifies by a cross-reference in the record the State of registration.
- (d) No State Party shall permit a vessel registered in that State to fly temporarily the flag of another State unless all registered mortgages, "hypothèques" or charges on that vessel have been previously satisfied or the written consent of the holders of all such mortgages, "hypothèques" or charges has been obtained.
- (e) The notice referred to in article 11 shall be given also to the competent authority in charge of the vessel's record in the State whose flag the vessel is permitted to fly temporarily.
- (f) Upon production of the certificate of deregistration referred to in article 12 paragraph 5, the competent authority in charge of the vessel's record in the State whose flag the vessel is permitted to fly temporarily shall, at the request of the purchaser, issue a certificate to the effect that the right to fly the flag of that State is revoked.
- (g) Nothing in this Convention is to be understood to impose any obligation on States Parties to permit foreign vessels to fly temporarily their flag or national vessels to fly temporarily a foreign flag.
